(1) Availability Of Limited Service: Service is generally available to satellite terminals equipped for this Service when within the satellite footprint. Service is furnished to the Customer or Customer's authorized user. A telephone number may not appear in more than one terminal. Customer has no property right in such number. Payment must be made in U.S. Dollars. Customer requests for direct billing are subject to credit approval and may be subject to required deposits and/or direct payment by credit card or a guarantee authorized against a valid accepted credit card. Customer will have ten business days to provide updated credit card details if a credit card is declined, or face termination of service. Customer is also subject to an additional \$10 per line processing fee for each declined credit card payment. Mailed invoices are subject to a \$3 fee.
