#### Notes:

- Upon redemption of a voucher, the units will be added to the existing balance on a Subscription and the expiry date of the units on the Subscription will be the date falling at the end of the balance extension period from redemption of a voucher or the existing balance expiry date on the Subscription, whichever is later.
- Vouchers must be redeemed within the specified voucher validity period (indicated in the table above) from batch activation or they will expire.
- Vouchers will only be accepted for BGAN. Vouchers cannot be redeemed for IsatPhone/IsatPhone Link or Fleetphone
- Voucher Types:
  - Type 1 – SPS and BGAN (these vouchers do not support Streaming IP and ISDN)
  - Type 2 – BGAN only (these vouchers do not support Streaming IP and ISDN)
  - Type 3 – BGAN Stream (these vouchers do support Streaming IP and ISDN)
- Billing increments and minimum volumes and durations and other associated Terms and Conditions including call charges to Other MSS Networks will be the same as those that apply to BGAN postpay.
